## The Esso Business Card Program is now even better!

Your members can now offer the program to their employees! How great is that??

In today's economy, it's tough for small businesses to keep their employees. This is a benefit that you can extend to them that won't cost you a penny.

There are two separate application forms:

**ESSO Business Account Application** – for your members

**ESSO Business Card Application - Canadian Chamber Employee Program** – for your members' employees (chambers can take advantage of this too!).

Forms are available through the Canadian Chamber and/ or on the Chamber program's microsite: <http://www.essofleetoffers.com/CHAMBER>.

Hard copy applications should be sent to our program coordinator, Richard Sauve, as noted below.

Or promote the online application via the program microsite.
