Congratulations

The Clareville Inn was upgraded to a 4-Star Hotel by Canada Select in September 2015. The Inn was upgraded due to completing the refurbishment and upgrading of the rooms, commercial area and exterior of the hotel; providing an authentic 4 Star customer service experience; ensuring the hotel cleanliness exceeded expectations; and delivering significant improvements to the food and beverage offerings. The Clareville Inn is the first 4 Star Hotel in the area and Bonita Critch, the General Manager explained their goal is to provide a 4 Star experience at 3 Star prices.
